OVERVIEW

This template was made to let You create beautiful yet consistent 7th Sea books, a tabletop roleplaying game of swashbuckling and intrigue, exploration and adventure, taking place on the continent of Théah, a land of magic and mystery inspired by our own Europe.

SECTION

Sections break up chapters into large groups of associated text.

SUBSECTION

Subsections further break down the information for the reader.

SUBSUBSECTION

Subsubsections are the furthest division of text that still have a block header. Below this level, headers are displayed inline.

SPECIAL NOTES
READ CAREFULLY

|||||

Special notes are designed to draw attention for important information. Always start them on top of column. Background image is optional. Headers can be multilined, but don't overdo. For increased readability this example increase baselineskip, but nothing prevents You from forming it Your way. Don't put it on chapter pages as it will overflow badly.

CITATIONS

"Never turn your back to the sea, for she is as fickle as fortune itself."

— *Captain Ernesto Castillo*
